

Fishery Terms & Conditions

Please abide by fishery rules at all times. Anyone not adhering to the T&Cs will be asked to leave with immediate effect.

1. All nets must be dipped on arrival using the dipping tanks provided on site.
2. 3 rod limit per Angler.
3. No particles to be used unless purchased from Lac Soupier directly.
4. Pellets are allowed in small proportions.
5. No maggots are permitted to be used.
6. Micro-barbed or barbed hooks only.
7. No fires are permitted on the grounds.
8. Alcohol is permitted on the lakes, however, anybody deemed intoxicated will not be allowed to fish until the following morning. Boats are not allowed to be used if alcohol is being consumed.
9. All rubbish to be picked up and disposed of by Anglers.
10. No sacking of fish – this is only permitted temporarily so Anglers can request help from a fellow angler for a photo.
11. Please only use recovery slings provided by Lac Soupier for weighing fish.
12. Please use cradles provided on site.
13. Braided mainline is permitted on Noah's Lake (Lake 1) only.
14. 15lb minimum breaking strain mainline to be used.
15. Strictly no nuts to be used.
16. Boats are provided for snagged fish. Do not pull for a break and please do not enter a boat without wearing a life jacket, provided by Lac Soupier. (Boats provided on each lake).
17. Bait Boats are permitted.
18. Minimum landing net size of 42 inches.
19. All Anglers must have and use antiseptic on wounds upon capture for all fish.
20. Leads – no fixed leads. Lead clips and drop-off systems are permitted. Only drop off leads to be used on Noah's Lake (Lake 1).
21. Please leave swims clean and tidy – no bottle tops/cigarette butts etc to be left behind.
22. **Do not leave rods unattended at any time.**

These rules are in place for the safety of both the fish and the anglers. Please do abide and respect our terms so that we can all continue to enjoy catching these beautiful carp in natural surroundings!

And lastly – tight lines.

Booking T&Cs: Deposits are non-refundable, dates can be moved in extenuating circumstances, this would be based on lake availability and at the discretion of the lake owners.
